MEDIA & INTERVIEW TOPICS

Behind the Mic: How Audiobooks Come to Life

What really happens between the words on a page and the finished listening experience.

The Art of Creating a Character Through Voice

How a narrator develops distinct voices, personalities, emotions, pacing, and chemistry for multiple characters.

From Page to Performance: The Craft of Audiobook Narration

The preparation, performance, and technical work involved in creating a professional audiobook.

Narrating Romance & Urban Fiction

The unique demands of intimacy, dialogue, chemistry, emotion, and cultural authenticity in contemporary fiction.

Starting Over at 50: Building a New Career Through Your Voice

What it looks like to discover—or reinvent—a creative career later in life, and why starting at 50 can open a completely different chapter.

It's Never Too Late to Find Your Voice

The personal and professional lessons that come with pursuing a creative dream after decades of work, family, and life experience.

A Day in the Life of an Audiobook Narrator

From manuscript preparation and character work to recording, editing, pickups, and delivering the finished performance.
